

CJ Payne

VIDEO EDITOR

STATEMENT

I currently work as a video editor at Dean Reynolds Media. I work as a 1st AC and AE for Visceral Films on the side. My experience mostly comes from editing videos for a history museum and editing short films at the University of North Georgia. I've taken Digital Intermediate Effects to broaden my skills in After Effects and gain more experience color grading.

EXPERIENCE

October 2022 - Present
DEAN REYNOLDS MEDIA

Video Editor, Video Producer

I prepare shot lists, produce, and edit videos for various clients. Most clients are doctors and influencers looking to establish a loyal media following. I spend most of my time video editing.

January 2021 - October 2022
NORTHEAST GEORGIA HISTORY CENTER
Cottrell Digital Studio Assistant

I shoot and edit short videos for museums looking to reach their audience with online content. I edit archival interviews the history center needs for their YouTube channel.

November - December 2020
B.B. HARRIS ES PTA VIDEO
Video Editor

I storyboarded, shot, then edited a short video of PTA members at an elementary school explaining and showing what they did with their food insecurity grant.

AWARDS
